Memo to: Advertising Manager

Subject: ***Ala Breve*** Advertising

As a supplier of products and services of interest to the music educators in Alabama, we would like to invite you to participate as an advertiser in the Alabama Music Educators Association's official publication, the ***Ala Breve***. The publications are circulated to music educators in Alabama by mail and are available for viewing on-line on the AMEA website.

Four annual issues contain information concerning the various all-state meetings, the annual AMEA In-Service Conference, as well as information from division chairs. Please refer to the enclosed sheet (front and back) for publication dates and deadlines, technical information and advertising rates. The ad rate sheet is on one side and the space reservation form is on the other.

Should you elect to advertise in our publication, you will receive a copy of the issue of ***Ala Breve*** containing your ad and will be billed after the distribution of each issue containing your advertisement.

Please review the enclosed "Industry Membership" page for an opportunity for you to save money on advertising while partnering with AMEA to support music education in Alabama.

If, in making your decision concerning our publication, you should need a sample of our magazine, I will, as supply lasts, forward one to you. Thank you in advance for your interest in our journal. Please do not hesitate to contact us if you require additional information. I look forward to hearing from you!

Sincerely,

A handwritten signature in cursive script that reads "Garry Taylor".
