Luncheon Board Meeting

Samford University

The meeting was called to order at 12:15 by President, Jody Powell. All board members were present.

Jody's 27th anniversary today!

Several members offering suggestions/asking questions: recorded judge comments for SCPA, church performance venue for Montgomery (although this has already been thoroughly investigated...), directors don't want to perform at current venue because of acoustics, offers of help to track down another performance venue – it all comes down to our membership being more present with AMEA in order to get more of what we want.

Summer Board – June 2 (check in)-5 at Wingate Inn, Mobile (Springhill Ave exit). Pat will reserve rooms for everyone beginning Sunday night UNLESS YOU TELL HER OTHERWISE. Carl's birthday is on June 4....

Board members please do online survey ASAP. Carl will send list to DC's of who has completed by April 1 and stay on those who haven't. All results should be in by May 1.

Dates/locations for District events must be settled by Summer Board (with no changes after unless absolutely necessary!). Coming events/dates: Summer Board, above
